Dear Ms. Walli:

Re: EB-2012-0410 – Rate Design for Electricity Distributors – Hydro Ottawa’s Intent to Participate

On April 3, 2014, the Ontario Energy Board (the “Board”) issued a Draft Report of the Board on Rate Design for Electricity Distributors. In its covering letter the Board requested interested stakeholders to register in writing as a participant in the consultation review.

Hydro Ottawa would appreciate the opportunity to participate at the stakeholder meetings the Board intends to hold regarding the policy direction and the options for implementing the rate design policy. Hydro Ottawa also intends to provide written comments for consideration by the Board individually and/or as a member of the Coalition of Large Distributors.

Please direct any further information to the undersigned.

Yours truly,
