Dear Ms. Walli:

**Re: Natural Resource Gas Limited (“NRG”)  
April 1, 2014 QRAM -- Phase 2 Proceeding  
Board File No.: EB-2014-0053  
Arbitration Process  
Reply by NRG to Ontario Energy Board letter dated April 9, 2014**

Thank you for your letter of April 9, 2014. I am asked to reply to it on behalf of NRG.

Having regard to the Board’s letter, NRG assumes that the Board intends that the arbitration between Union Gas Limited (“Union”) and NRG be completed before the Board establishes a process for the second phase in this proceeding.

Assuming this assumption to be accurate we have today informed Union of the appointment of an arbitrator and will proceed with the arbitration as expeditiously as possible. We will inform the Board as soon as the arbitration has been completed. As you know, the arbitration process and results are confidential between the parties.

If our assumption is incorrect we would be pleased to be given a further Direction that may be appropriate. NRG undertakes to inform the Board of the approximate date of the result of the arbitration as soon as it has an opportunity to speak with counsel for Union and the arbitrators have been fixed.

Yours very truly,

John A. Campion
