Dear Ms. Walli:

Re: Enbridge Gas Distribution Inc. 2014-2018 Rates – EB-2013-0459

I am writing on behalf of the Consumers Council of Canada, an intervenor in the above-referenced proceeding. We are writing in support of the School Energy Coalition's request for an extension of two business days for intervenors to file argument. This has been a long and complex case which has significant long-term implications for Enbridge Gas Distribution Inc.'s customers. Meeting the current deadline has been much more difficult than expected. The Council notes that a few extra days would also allow the parties to consider the submissions made by Board Staff which are expected to be filed today.

Yours truly,

Julie E. Girvan
