**RE: EB-2012-0459 Enbridge 2014-2018 Rates - Request for Argument Extension**

The Federation of Rental-housing Providers of Ontario ("FRPO") is writing in support of the School Energy Coalition ("SEC") letter of April 13th requesting an extension of the argument deadline in the above proceeding. FRPO has benefitted from the efforts outlined by SEC in its letter allowing a focusing of our efforts on other matters in this case. However, as was pointed out by SEC, the size of the record in this proceeding is enormous. Given the resulting implications of the requests by Enbridge, we would benefit from the requested extension and support a similar extension for Enbridge.

Respectfully Submitted on Behalf of FRPO,

Dwayne R. Quinn  
Principal  
DR QUINN & ASSOCIATES LTD.
