To Ms. Walli,

**Re: Ontario Power Generation Inc. Board File No. EB-2013-0321**

In accordance with Procedural Order #4, Lake Ontario Waterkeeper will seek clarification of the following issues at the upcoming Technical Conference for this matter:

**Issue 4.9:** Are the proposed test period in-service additions for the Darlington Refurbishment Project appropriate?

**Issue 4.10:** Are the proposed test period capital expenditures associated with the Darlington Refurbishment reasonable?

**Issue 6.7:** Is the test period Operations, Maintenance and Administration budget for the Darlington Refurbishment Project appropriate?

Two paper copies of this letter have been sent to the Board. If you have any further questions or concerns, please contact our articling student Pippa Feinstein at [articling@waterkeeper.ca](mailto:articling@waterkeeper.ca) or 416 861 1237.

Sincerely,

Mark Mattson  
President and Waterkeeper
