Attention: Kirsten Walli,
Board Secretary

Dear Ms. Walli:

**Re: Suncor Energy Products Inc. - Request for Confidential Treatment for
Interrogatory Responses
Board File No. EB-2014-0022**

I am writing to request confidential treatment of the Interrogatory Responses to Board Staff 4(v), and County of Lambton 1(1).

Board Staff Interrogatory 4(v) requests a copy of the Shared Transmission Facility Agreement ("STFA") between Suncor and NextEra. County of Lambton Interrogatory 1(1) requests a copy of the Jericho Shared Transmission Facility Agreement ("Jericho Agreement").

The STFA is an agreement which sets out the commercial relationship between Suncor and NextEra with respect to Suncor's use of NextEra's shared transmission facilities to transmit Suncor's electricity output from its wind farm to the Hydro One grid, including the details of the cost sharing arrangements between the parties. The Jericho Agreement provides similar information with respect to Suncor's use of the Jericho transmission line.

Suncor wishes to file these documents in confidence, in their entirety, and in accordance with the Board's Practice Direction on Confidential Filings, on the basis of them being commercially sensitive. The agreements represent private commercial arrangements between the parties and include commercial, financial and technical information concerning those arrangements.

Disclosure of the agreements on the public record could cause harm to the competitive positions of the parties in future projects they may wish to pursue.

Yours sincerely,

FOGLER, RUBINOFF LLP
