Dear Ms Walli:

Re: Draft Report of the Board, EB-2012-0410

The IESO would like to register to receive further communication and participate in future consultations on rate design for electricity distributors.

As the IESO has responsibilities related to demand response in Ontario it has an interest in the Board's examination of rate design for electricity distributors.

Yours truly,

Original signed by,

Adrian Pye  
Senior Regulatory Analyst, Regulatory Affairs  
Independent Electricity System Operator  
416-506-2858
