Dear Board Secretary,

Please find attached a letter detailing the comments and objections submitted by myself on behalf of Cham Shan Temple relating to the application case: EB-2013-0442.

Please note that I have a letter of authorization from Cham Shan Temple to speak on behalf of the temple in all matters relating to its project development, including the development in the local region of City of Kawartha Lakes. A copy is enclosed herewith for your record. I am also representing the temple in its ERT appeal against the proposed Sumac Ridge project.

Should any additional information or clarifications be required, please do not hesitate to contact me at this email address, or via my cell: 416 402-9208.

With greatest appreciation,

Diane Chen
