Dear Ms. Walli:

**Re: 2014 Electricity Distribution Rate Application – Veridian Connections Inc.
Draft Rate Order
Board File No.: EB-2013-0174**

It has come to Veridian's attention that a table filed in its April 19th, 2014 draft Rate Order was incorrect. Table 8 (Current and Proposed Retail Transmission Service Rates) has now been corrected and a revised copy of the table has been appended to this cover letter.

Veridian further notes that the Tariff of Rates and Charges, as filed in Appendices A and B of the draft Rate Order, is correct and no changes are required.

Yours truly,
