Attention: Kirsten Walli,
Board Secretary

Dear Ms. Walli:

**Re: Concerned Seniors Lambton County and We're Against Industrial Turbines
Plympton-Wyoming ("CSL/WAIT-PW")
Board File No. EB-2014-0022**

Suncor is writing in response to the motion filed by CSL/WAIT-PW with the Board on Tuesday, April 22, 2014 (the "motion").

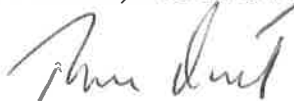

On April 16, 2014, CSL/WAIT-PW submitted "supplemental interrogatories" to Suncor. These additional IRs were two weeks late, as the Board's deadline for filing IRs was April 3, 2014. Suncor wrote the Board to ask it not be required to answer the IRs because they were out of time. Suncor also noted that many of the questions were actually submissions; others had been answered in Suncor's response to the original "in-time" IRs that were sent to the intervenors on the same day that CSL/WAIT-PW filed its "supplemental IRs"; still others dealt with matters already addressed in the reports of HONI and the IESO. These submissions were additional reasons why the Board should not require Suncor to address the questions. They were not intended as answers to the questions. The Board has not yet ruled on whether Suncor must address the "supplemental IRs".

Suncor submits that the motion is out of order, as Suncor has not responded to the supplemental IRs, and a motion under section 29.3 can only be brought once the party receiving the IR has provided a response. Suncor has not provided a response.

Suncor reserves its rights to make further submissions on the motion in the event the Board requires it to answer some or all of the late IRs.

Yours sincerely,

FOGLER, RUBINOFF LLP
