Kirsten Walli  
Board Secretary  
Ontario Energy Board  
27<sup>th</sup> floor – 2300 Yonge Street  
Toronto, ON M4P 1E4

Dear Ms Walli,

Enbridge Gas Distribution Inc. ("EGD") – 2014 to 2018 Rates Application	
Board File No.:	EB-2012-0459
Our File No.:	339583-000165

We apologize for writing again with respect to CME's Written Argument. There is, however, one point which we inadvertently failed to address by way of a footnote to paragraph 73 of the submission pertaining to the continued treatment of Gas Costs and Upstream Gas Transportation as Y Factor pass-through items of expense.

The point which we inadvertently failed to add was that we fully support and adopt the submissions of Mr. Quinn on behalf of Federation of Rental-housing Providers of Ontario ("FRPO") with respect to gas supply, transportation and storage issues contained at pages 12 to 25 of FRPO's Written Argument.

We, like some other ratepayer representatives, rely on Mr. Quinn's knowledge and experience in matters pertaining to gas supply, transportation and storage planning and management to make sure that EGD provides all of the information which one requires to make a fair assessment of the outcomes of its performance with respect to these activities.

In this context, we strongly urge the Board to grant the gas supply, transportation and storage reporting relief requested by FRPO in its Written Argument.

Would you please be kind enough to distribute this letter to the Board members hearing this case for attachment as an Addendum or Schedule to the Amended Written Argument of CME which we circulated yesterday.

Yours very truly,

A handwritten signature in black ink, appearing to read 'Peter Thompson', with a long horizontal flourish extending to the right.

Peter C.P. Thompson, Q.C.
