Dear Ms. Helt:

**Re: wpd Sumac Ridge Incorporated**  
**Application under section 41(9) of the *Electricity Act*, 1998**  
**EB-2013-0442**

Further to our letter of March 19, 2014, we write to provide the Board with an update regarding the service of wpd Sumac Ridge Incorporated's ("wpd") application under section 41(9) of the *Electricity Act*, 1998.

wpd has completed service of the application on the majority of stakeholders identified by the Board in its Letter of Direction. Two individuals remain to be served. wpd attempted to serve the two individuals by courier and was unsuccessful. wpd has retained a process server to effect service on the two remaining individuals and anticipates that service of the application on these individuals will be completed by next week. wpd will file an affidavit of service with the Board once service on the remaining interested parties is completed.

Yours truly,

  
for Ingrid Minott
