Dear Ms Walli :

**Re: Wpd White Pines Wind Incorporated – County of Prince Edward**  
**Board File No. EB-2013-0339**

Further to our email sent earlier this afternoon, if a more formal submission is required with respect to our late filing of the Notice of Intention to File Evidence on behalf of the Corporation of the County of Prince Edward, we respectfully submit the following:

1. The Board's Procedural Order #1, as amended, required intervenors, on or before April 23, 2014 to indicate if it is their intention to file evidence.
2. Due to inadvertence, the Notice of Intention to File Evidence on behalf of the Corporation of the County of Prince Edward was not filed until the following day, April 24, 2014, by email sent at approximately 1:45 PM to the Board and all parties.
3. The Rules of Practice and Procedure for the Ontario Energy Board give the Board discretion to extend a time limit specified in a Procedural Order.

2

4. We respectfully request, on behalf of the Corporation of the County of Prince Edward, the exercise of the Board's discretion by extending the deadline for filing a Notice of Intention to File Evidence by one calendar day to April 24, 2014.
5. We respectfully submit that the delay in filing the Notice of Intention to File Evidence was extremely minimal; the delay did not involve the failure to produce any substantive or lengthy materials; and the delay cannot cause any prejudice to any party or the Board.

Thanking you in advance for your consideration of these submissions.

Respectfully submitted

Yours very truly,
