Dear Ms. Albert:

**Re: Haldimand County Hydro Inc.  
2014 COS Rate Application  
Correction to Tariff of Rates and Charges  
Board File No. EB-2013-0134**

In its Decision and Rate Order, issued on April 16, 2014, the Board approved a new Tariff of Rates and Charges (the "Tariff") found in Appendix B to the Decision and Rate Order. It has come to the Board's attention that there were errors in the distribution rates in the Tariff at Appendix B of the Decision and Rate Order. The distribution rates in Appendix B were based on preliminary calculations and did not reflect the final rates proposed in Appendix J to the Settlement Proposal.

The Board has corrected the errors pursuant to its powers under Rule 43.02 of the Board's *Rules of Practice and Procedure*, which states that the Board may at any time, without notice or a hearing of any kind, correct a typographical error, error of calculation or similar error made in its orders or decisions. The Board considers each of the errors in this case to be an error similar to an error of calculation.

The corrected version of the Tariff is attached. The corrected version supersedes and replaces the incorrect version attached as Appendix B to the Decision and Rate Order, which is otherwise not changed in any way.

Yours truly,
