Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

**Subject: Union Gas Limited
Reduction of Certain Charges Applied to Direct Purchase Customers
Board File No: EB-2014-0154**

This letter is in response to filings submitted by Union Gas Limited (Union) to the Ontario Energy Board File No.EB-2014-0154.

Through its ownership of the 683 MW Halton Hills Generating Station, TransCanada Energy Ltd. (TCE) is one of the largest customers of Union. The penalties at issue for TCE will be in the order of millions of dollars. As such we are greatly interested in Union's proposal to reduce charges to Direct Purchase customers as per its letter dated April 3, 2014, to the Ontario Energy Board.

Once the OEB has completed its written questioning of Union Gas on this matter, TCE would respectfully request the opportunity to provide comments to the Board.

Yours truly,
TransCanada Energy Ltd.
