**2014 4<sup>th</sup> Generation Incentive Rate Mechanism Adjustment Application**  
**Ontario Energy Board File Number EB-2013-0169**

Dear Ms. Walli,

Rideau St. Lawrence Distribution Inc. ("RSL") filed an application with the Ontario Energy Board (the "Board") on October 25, 2013 under section 78 of the Act, seeking approval for changes to the rates that RSL charges for electricity distribution, effective May 1, 2014 (the "Application").

In its Decision and Order issued on March 13, 2014, the Board made a finding regarding a billing error and ordered RSL to credit the customer accounts that had been originally charged. RSL was instructed to notify the Board when the credit adjustments of the over-collection of \$64,632 had been applied to the accounts of the affected customers.

RSL confirms that the credits for the over-collection of the Rate Rider have been applied to all of the customer accounts that were originally charged.

Respectfully submitted,
