by INVISTA (Canada) Company to amend electricity
generation licence EG-2005-0467.

DECISION AND ORDER

May 1, 2014

INVISTA (Canada) Company filed an application on April 1, 2014 with the Ontario Energy Board (the "Board") pursuant to section 74 of the *Ontario Energy Board Act*, 1998 (the "Act") to amend electricity generation licence EG-2005-0467.

INVISTA (Canada) Company requested that the Board amend Schedule 1 of its generation licence to include Kingston Site Generating Station, located at 455 Front Road, Kingston, Ontario. This facility will be owned and operated by the applicant. There are no other changes requested to the licence. All other provisions remain the same.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicant has consented to disposing of the application without a hearing.

I find that it is in the public interest to grant the requested amendment to the licence.

IT IS THEREFORE ORDERED THAT:

Schedule 1 of electricity generation licence EG-2005-0467 is amended to include the Kingston Site Generating Station located at 455 Front Road, Kingston, Ontario. The amended licence is attached to this Order.

DATED at Toronto, May 1, 2014
