Board Secretary
Ontario Energy Board
2300 Yonge Street, Suite 2700
Toronto, On M4P 1E4

Dear Ms. Walli:

**Re: EB-2012-0459 - Enbridge Gas Distribution Inc. ("Enbridge")
2014 – 2018 Rate Application
Reply Argument – Extension Request**

Enbridge has been working hard at preparing a complete Reply Argument for the EB-2012-0459 Rate Case. Despite our best efforts, it has now become apparent that, due to the need to respond to nearly 500 pages of intervenor submissions as well as completing work on other cases, it will not be possible for Enbridge to file its reply argument by Monday, May 5th.

We respectfully ask the Board to grant Enbridge an extension for the filing of Reply Argument. This extension will allow Enbridge the time it needs to prepare a complete Reply Argument that will assist the Board. In order that it does not have to ask for multiple extensions, Enbridge requests that the filing deadline be extended from Monday May 5, 2014 to Thursday May 8, 2014. Enbridge will make every effort to complete and file the Reply Argument by Wednesday May 7th.

Yours truly,

(Original Signed)
