Dear Ms Walli:

**Re: EB-2013-0321 OPG Payments – Issue Prioritization**

GEC supports the submissions made by AMPCO *et al* with the exception of the proposed treatment of the depreciation issues 6.11 and 6.12. Please see our submissions of March 31<sup>st</sup>. In addition, GEC is concerned that the proposed extended depreciation periods for Pickering and Darlington are inappropriate given the likelihood that the life extension of Pickering and the refurbishment of Darlington would be non-cost-effective.

Sincerely,
