Dear Ms Walli:

Re: EB-2013-0416/Draft Issues List

We are counsel to the City of Hamilton in this matter.

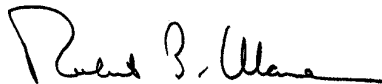

Our client's interest is in Hydro One Network Inc.'s ("HONI") proposed charges for street lighting. In our opinion, the issues listed in section 6.0 of the draft Issues List are not framed with sufficient particularity to allow our client to examine the reasons for, and the appropriateness of, HONI's proposed charges for street lighting. Accordingly, we ask that the following issue be added the Issues List:

Are HONI's proposed charges for street lighting appropriate?

Because of a conflicting obligation we are unable to attend to make submissions on this matter on May 12, 2014. Accordingly, we ask that our requested addition to the issues list be brought to the attention of the hearing panel.

Yours truly,

WeirFoulds LLP
