Re: Oral Hearing

In Procedural Order No. 7 that was issued on April 16, 2014, the Board set May 15-16, 2014 as dates for an oral hearing.

The Board understands from Board staff that there is a settlement in principle and that the parties are working on drafting a settlement proposal to present to the Board.

To allow additional time to draft the settlement proposal, the Board will cancel Thursday, May 15, as a hearing day. If a settlement proposal is filed by 12:00 noon on Thursday, May 15, the Board will sit on Friday, May 16, to hear the presentation of the settlement, ask questions, and take any submissions. If the settlement proposal is not filed by noon on Thursday, then the Board will not sit on Friday. Once the settlement proposal is filed, the Board will set a date to hear it.

Yours truly,
