Re: Application to amend Electricity Wholesaler License  
Board File Number EB-2010-0319

We request a formal name change from Xstrata Canada Corporation to Glencore Canada Corporation in conjunction with documentation already submitted to the OEB. We do not wish to have a hearing as all appropriate documentation has been filed with the government and we have met all requests from national and international stakeholders.

All relevant security commissions approved the acquisition and we continue to operate all divisions and meet all regulatory requirements. We do not believe any person(s) or organization will be affected in any manner as a result of this name change request.

Sincerely,

**Mark W. Passi**  
Manager, Energy
