**ONTARIO ENERGY BOARD**

Attention, Kirsten Walli, Board Secretary

Dear Ms Walli:

**Re: Union Gas Limited**  
**Reduction of Certain Charges Applied to Direct Purchase Customers**  
**Board File No.: EB-2014-0154**

This letter is in response to changes that Union Gas Limited is proposing pursuant to filings provided to the OEB under the above file.

As a large consumer of natural gas, Coco Group is very much interested in any manner to reduce its operating costs in the highly competitive road construction and asphalt business. As such we wish to actively participate as an intervenor in Union Gas' application.

We also wish an opportunity to provide any comments to the Board upon the completion of its written questioning of Union Gas on this matter. We would appreciate the Board providing us with the opportunity to do so.

Yours truly,  
**Coco Paving Inc.**
