**Written Confirmation of Closing of Transfer of Generation Facilities and
Request for Transferor Licence Cancellation.**

By letter dated March 26, 2014 we provided written confirmation of commercial closing of the transfer of certain generation facilities as contemplated by the Board's *Decision and Order* issued September 19, 2013 in the captioned proceedings. Our letter referred, *inter alia*, to copies of the OPA's executed *Assumption and Acknowledgement Agreements* for each of the generation facilities transferred, which copies were to be included in the package filed with our letter but which were inadvertently omitted from the package filed.

Attached are copies of the OPA agreements for the each of the transferred facilities. We apologize for any confusion or inconvenience.

Yours truly,

Ian A. Mondrow

This Agreement constitutes Confidential Information and shall be subject to Article 7 of Schedule 1 of the Contract.

9. Execution and Delivery

This Agreement may be executed by the parties hereto in counterparts and may be executed and delivered by facsimile and all such counterparts and facsimiles shall together constitute one and the same agreement.

10. Other

- (a) The Supplier and the Assignee jointly and severally shall bear the external legal fees incurred by the OPA in connection with the preparation and review of this Agreement and related matters, including the review of any supporting documentation.
