VIA RESS AND COURIER

Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, Suite 2700
P.O. Box 2319
Toronto, ON M4P 1E4

Dear Ms. Walli:

Re: Leave to transfer electricity generation licences:

EB-2014-0168 – Sombra Solar, Inc. (EG-2011-0022)
EB-2014-0170 – Moore Solar, Inc. (EG-2011-0023)
EB-2014-0172 – Varna Wind, Inc. (EG-2014-0011)
EB-2014-0179 – Kerwood Wind, Inc. (EG-2013-0433)
EB-2014-0142 – East Durham Wind, Inc. (generation licence not yet issued)

We are counsel for the above-noted Applicants.

Each of the above-noted applications (the “Applications”) requests the Board’s leave to transfer the above-noted generation licences (with the exception of the pending East Durham generation licence application in respect of which an amendment has been filed). The Applications each advised that the transfers result from a proposed re-organization that will transfer assets from the licenced corporations to limited partnerships.

The Applications also advised that these asset transfers would include transfers of procurement contracts with the Ontario Power Authority. For the Board’s information, attached please find correspondence from the Ontario Power Authority confirming that it is reviewing the transfer of those contracts.

I trust that this is satisfactory. Please let me know if you have questions or concerns.

Sincerely,

Signed in the original

George Vegh
