Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
P.O. Box 2319

Toronto, ON

Dear Ms. Walli:

**Re: EB-2013-0326
Vulnerable Energy Consumers Coalition (VECC)
Submission on Issues List**

In accordance with Procedural Order No. 1 these are the submissions of VECC on the proposed issues list. We are in general agreement with and support the issues submissions of the Canadian Manufacturers and Exporters ("CME"). With respect to whether the Board should proceed by way of written or oral hearing we take no position at this time. We think this matter is better determined once the interrogatory phase of the application is complete. Should the Board determine a settlement conference is appropriate the outcome of that process will likely inform parties as to the most efficient way to proceed.

Yours truly,

Michael Janigan
Counsel for VECC
