Toronto, ON M4P 1E4

Attention: Kirsten Walli, Board Secretary

Dear Ms Walli:

Re: Board File No. EB-2014-0154

Energy Source Canada Inc. (“Energy Source”) would like to participate as an Intervenor in the above referenced proceeding. Energy Source is an independent natural gas marketer based in Ontario. As such, Energy Source is both a client of Union Gas directly and serves the natural gas requirements of many clients in Union Gas’ Southern Delivery Area including their balancing gas requirements. The results of this proceeding will have a direct impact on both our operations and the interests of those customers who are subject to Union Gas BGA balancing policies.

At this time, we are not putting forth any evidence or interrogatories until we have had the opportunity to review and consider the evidence put forth through the proceeding. While we do not intend to incur costs as a result of our participation, Energy Source is seeking the Board’s confirmation that we are eligible to recover costs if necessary.

Please direct any questions to me directly at (519) 826-0777 or dcornies@energysource.ca.

Regards,

David Cornies
President
