**ONTARIO ENERGY BOARD**

Dear Ms. Walli:

Re: Dufferin Wind Power Inc. - EB-2013-0268

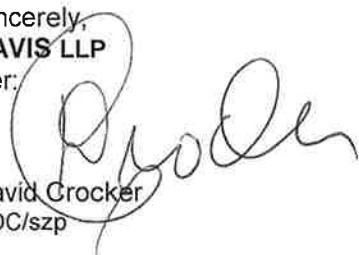

Enclosed please find our Cost Claim submitted on behalf of Marc Atkinson.

This matter is an expropriation application made by Dufferin Wind Power Inc. where an agreement with respect to the location of a transmission line could not be reached. The transmission line will interfere with irrigation and harvesting activities and will significantly alter a wood lot which was used to shelter cattle. The Board recognized that and suggested that Mr. Atkinson should request that Dufferin Wind Power Inc. move that wood lot which has been done.

All of the rates for the lawyers and students who have been involved in this file are submitted at rates which have been approved by the Board.

If you have any questions, please do not hesitate to contact me.

Sincerely,  
**DAVIS LLP**
