How to Participate in the Hearing

The application will be decided by way of written hearing unless a party satisfies the Board that there is good reason for holding an oral hearing. If you object to a written hearing in this matter, you must provide written reasons why an oral hearing is necessary. If you wish to participate in the written hearing, please file a written submission setting out your views on the application. You must forward three paper copies, and if possible, an electronic copy in Word format and in searchable PDF format, of your submission to the Board and one copy to Enwin Powerlines Ltd. at the addresses below. All submissions must be received no later than 15 days after the publication date of this notice. If Enwin Powerlines Ltd. wishes to respond to the submissions, such response must be filed with the Board and copied to any party that made submissions no later than 30 days after the publication date of this notice.

The Board may order costs in this proceeding. You must indicate in your written submission whether you expect to seek costs from the applicant and the grounds for your eligibility for costs.

All submissions must quote File No. EB-2006-0282, and clearly state the sender's name, postal address, telephone number, fax number and e-mail address.
