Dear Mr. Brett:

**Re: Suncor Energy Products Inc. ("Suncor")
Application for Leave to Construct Transmission Facilities
Board File No. EB-2014-0022**

In accordance with Procedural Order No.2, on May 20, 2014, the Board received a letter from WAIT-PW requesting access to the following two documents for which Suncor requested confidential treatment:

- The Shared Transmission Facilities and Option Agreement with Kerwood Wind Inc., Jericho Wind Inc., and Bornish Wind LP.; and
- The Jericho Shared Transmission Facilities and Option Agreement with Jericho Wind Inc.

A request was also made by WAIT-PW that the Board provide it with a modified version of the Declaration and Undertaking as the representative from WAIT-PW requesting the information confirmed she was neither a consultant or external counsel. As set out in Procedural Order No. 2, Suncor has the right to object to the Board's intention to provide a modified Declaration and Undertaking to WAIT-PT. Any such objection must be filed with the Board by May 26, 2014.

Yours truly,
