Clerk-Treasurer
The Township of Admaston/Bromley
477 Stone Road, RR2
Renfrew ON K7V 3Z5

Dear Ms. Louis:

The Ontario Energy Board has received the resolution adopted by the Council of The Township of Admaston/Bromley at its meeting on March 20, 2014 regarding electricity rates in Ontario. Since customers in your municipality are served by Hydro One Networks Inc. ("HONI"), the Board will place the resolution on the record of HONI's current application for distribution rates (Board File No. EB-2013-0416). Any personal contact information will be removed.

The resolution will also be provided directly to the Board panel who will be deciding whether the application is approved. The Board panel will consider the contents of the resolution if it relates to issues which are within the authority of the Board and are relevant to the issues being considered in the case.

The application will be decided through a public hearing.

If you want a response from the applicant, please ensure that you have provided a copy of the resolution directly to HONI.

You will receive a copy of the Board's decision when it is released.

Yours truly,
