Dear Ms. Walli:

**Application for Franchise Agreement with Central Elgin (EB-2014-0186): Delay in Publication of Notice**

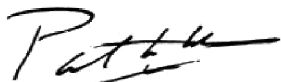

On May 20, 2014, the Ontario Energy Board (the “Board”) issued a Letter of Direction in respect of the above mentioned file (the “Letter”). The Letter was sent via electronic mail on May 21, 2014.

In the Letter, the Board asked me to arrange for the Notice of Application (the “Notice”), attached to the Letter, to be published in a newspaper no later than 2 weeks after the date of the Letter (i.e., Tuesday June 3, 2014 or Wednesday June 4, 2014, as the Notice is dated May 21, 2014 and both the Letter and the Notice were received late on May 21).

We have made arrangements to publish the Notice in the *Elgin County Market* however the earliest publication date we could obtain was Thursday June 5, 2014.

I submit that the June 5 publication date respects the spirit of the Letter, and ask that the Board grant this indulgence. Please do not hesitate to contact me if the June 5 publication date is unsatisfactory.

Yours very truly,

Patrick G. Welsh
