Dear Premier

At the regular meeting of the Municipality of Bayham Council, held February 20, 2014, a resolution passed by the Town of Amprior regarding ever-increasing electricity rates, a copy of which is attached for case of reference, was received and discussed. As a result, the Council of the Municipality of Bayham confirmed their support of the resolution.

Further, on behalf of the Bayham Council, you Premier Wynne and all members of the Ontario Government are requested to consider the effects that continually increasing electricity rates have on residents, businesses and the economy of Ontario, and to take appropriate steps to help alleviate this burden.

Thank you for your consideration in this matter.

Since February 2014, the Board has received 41 Municipal Resolutions and related correspondence with respect to electricity rate increases from municipal councils that represent consumers in Hydro One Networks Inc. ("HONI") service territory.

Currently before the Board is HONI's distribution rates proceeding (Board File No. EB-2013-0416), which was filed as a Custom Incentive Regulation application under the Board's new *Renewed Regulatory Framework for Electricity Distributors*. Consistent with the Board's focus on consumers, all Municipal Resolutions from councils whose municipalities are at least partially served by HONI will be placed on the record of HONI's distribution rates proceeding.

RESOLUTION NO 2014-046

MOVED BY: MRS. ALINE DALLAIRE
SECONDED BY: MR. GHISLAIN DOSTIE
RESOLVED: WHEREAS, ELECTRICITY RATES HAVE INCREASED AGAIN THIS YEAR AND ACCORDING TO THE ONTARIO GOVERNMENT'S PLAN, WILL CONTINUE TO INCREASE FOR MANY MORE YEARS TO COME,

AND WHEREAS, ELECTRICITY RATE INCREASES HAS A DIRECT NEGATIVE IMPACT ON THE PROVINCIAL ECONOMY, FIXED INCOME RECIPIENTS AND THE MOST VULNERABLE RESIDENTS OF OUR COMMUNITIES,

AND WHEREAS, THE ONTARIO GOVERNMENT SEEMS TO WANT TO CLOSE THE GAP BETWEEN HYDRO ONE NETWORKS' OPERATING, GENERATING AND SERVICE DELIVERY COSTS BY INCREASING RATES TO CONSUMERS,

AND WHEREAS, CONSUMERS ARE ALSO BEING ASKED TO CHANGE THEIR CONSUMPTION HABITS TO NON-PEAK TIMES AND INVEST IN ENERGY EFFICIENT APPLIANCES AND OTHER HOME NECESSITIES, TO CONSERVE ENERGY,

AND WHEREAS, HYDRO ONE NETWORKS INC. MUST ALSO TAKE ALL NECESSARY MEASURES TO REDUCE THEIR OPERATING, GENERATION, TRANSPORTATION AND SERVICE DELIVERY COST.

THEREFORE BE IT RESOLVED THAT COUNCIL OF THE TOWNSHIP OF OPASATIKA REQUESTS IN THE STRONGEST POSSIBLE WAY ON THE PREMIER AND THE ONTARIO GOVERNMENT TO REQUIRE HYDRO ONE NETWORKS INC. TO REDUCE THEIR OPERATING, GENERATION, TRANSPORTATION AND SERVICE DELIVERY COSTS TO THE MAXIMUM.

AND BE IT FURTHER RESOLVED THAT THE PREMIER, THE ONTARIO GOVERNMENT AND THE ONTARIO ENERGY BOARD TAKE IMMEDIATE ACTION TO PREVENT ANY FURTHER ELECTRICITY RATE INCREASES FROM BEING IMPLEMENTED, UNTIL SIGNIFICANT COST REDUCTIONS HAS BEEN ATTAINED BY HYDRO ONE NETWORKS INC.

RE: PETITION - HYDRO ONE RATE INCREASES

Dear Sirs:

We wish to advise that at the regular meeting of the Council of the City of Elliot Lake held Monday, February 24, 2014, the following resolution was passed requesting that the government take action to address the rising costs of insurance premiums for municipalities due to the joint and several liability:

RESOLUTION 86/14

"Whereas the Council of the City of Elliot Lake recognizes that increased electricity rates are challenging for the economic competitiveness of the City and its residents;

And whereas the Council encourages the Government of Ontario to ensure that our electricity rates both in the short and long-term, allow our businesses to remain competitive in a global environment and ensure that the vulnerable residents of our communities are not overburdened by ever-increasing electricity rates;

And whereas the Council encourages the Government of Ontario to not approve any further rate increases for electricity;

And whereas it is estimated that electricity costs will increase by approximately 50% within the next five years;

And whereas an increase in electricity rates by the Ontario Energy Board will exacerbate an existing problem for industry and consumers with low or fixed incomes in Elliot Lake;

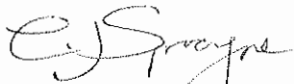

Therefore be it resolved that the City of Elliot Lake urges in the strongest possible way, that the Government of Ontario ensures that electricity rates both in the short and long-term, allow our businesses to remain competitive in a global environment and ensure that the vulnerable residents of our communities are not overburdened by ever-increasing electricity rates;

And further that this resolution be sent to the Premier of Ontario, the Minister of Energy and Infrastructure, the Ontario Energy Board, the Ontario Power Authority, Association of Municipalities of Ontario and the MPP for Algoma- Manitoulin. "

Thank you for your attention to this matter.

Sincerely,

Whereas, electricity rates have increased again this year and according to the Ontario government's plan, will continue to increase for many more years to come,

And Whereas, electricity rate increases have a direct negative impact on the provincial economy, fixed income recipients and the most vulnerable residents of our communities,

And Whereas, the Ontario government seems to want to close the gap between Hydro One Networks' operating, generating and service delivery costs by solely increasing rates to consumers,

And Whereas, consumers are also being asked to change their consumption habits to non-peak times, and invest in energy efficient appliances and other home necessities, to conserve energy,

And Whereas, Hydro One Networks Inc. must also take all necessary measures to reduce their operating, generation, transportation and service delivery costs.

Therefore be it resolved, that Council of the Township of Fauquier-Strickland requests in the strongest possible way on the Premier and the Ontario government to require Hydro One Networks Inc. to reduce their operating, generation, transportation and service delivery costs to the maximum.

And be it further resolved, that the Premier, the Ontario government and the Ontario Energy Board take immediate action to prevent any further electricity rate increases from being implemented, until significant cost reductions has been attained by Hydro One Networks Inc.
