Dear Mr. Wallace:

**Re: LANXESS Inc.
Application for Electricity Wholesaler Licence
Board File Number EB-2014-0193**

The Board has reviewed your application for an electricity wholesaler licence. Your application is currently incomplete and cannot be processed until the following has been filed:

- Application Fee: Although you were previously licensed by the Board, your electricity wholesaler licence expired on November 3, 2010 and cannot be renewed. Therefore the Board requires the application fee applicable to an applicant applying for a new licence (\$1,000) and not the fee enclosed with your application (\$200) which is for an applicant applying to renew a licence.
- Section 7 (Intended Markets and Services): You have selected among other items listed in the application that you intend to sell electricity to consumers, defined as a person who uses for the person's own consumption, electricity that the person did not generate. As indicated in the application, if an applicant selects this item the applicant may require an electricity retailer licence. Please indicate whether you will be filing an application for an electricity retailer licence, or please explain why you will not be filing an application for an electricity retailer licence.

- Section 9 (Finance): The financial statements filed for the past two years are unaudited and therefore need to be signed by one of the key individuals listed in Section 6 of the application.

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Upon receipt of the required information the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@ontarioenergyboard.ca.

Please direct any questions relating to this application to Vince Mazzone, Advisor at +1 (416) 544-5159 or e-mail, Vince.Mazzone@ontarioenergyboard.ca.

Yours truly,
