IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF an application by NextEra
Energy Canadian Operating Services, Inc. to amend
its electricity generation licence EG-2012-0311

By delegation, before: David Richmond

DECISION AND ORDER
May 30, 2014

On March 24, 2014, NextEra Energy Canadian Operating Services, Inc. ("NextEra") filed an application with the Board under section 74 of the Act to amend its electricity generation licence EG-2012-0311. The Board assigned the application file number EB-2014-0144.

NextEra applied to amend Schedule 1 of its licence to be the operator of the East Durham Wind Energy Centre, a 23 MW wind power generation facility located in Grey County, Ontario. There are no other changes requested to the licence. All other provisions remain the same.

I have proceeded without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding and the applicant has requested that the matter be disposed of without a hearing.

I find that the information provided in the application is sufficient to demonstrate that granting the requested amendment is in the public interest.

IT IS THEREFORE ORDERED THAT:

Schedule 1 of electricity generator licence EG-2012-0311 is amended to include the operator qualification for the East Durham Wind Energy Centre generation facility located at RR1, County Road 4 at County Road 23, Princeville, Grey County, Ontario.

The amended licence is attached to this Order.

DATED at Toronto, May 30, 2014
