**Re: EB-2013-0321 – OPG 2014/2015 Payment Amounts Application
Re-scheduling of Testimony**

We are legal counsel to OPG. This letter is to request that the appearance of the OPG's witnesses responsible for Issues 4.8 - 4.12 inclusive (the "Darlington Issues") be deferred until OPG has filed additional evidence. The hearing of testimony with respect to other issues designated as oral or primary would proceed on June 9, 2014 as originally scheduled by the Board.

OPG's request to defer Darlington related testimony has arisen because of recent developments related to various aspects of the Darlington Issues. OPG is currently in the process of completing its analysis of these developments and will provide that analysis in the form of evidence that OPG expects to file by July 2, 2014.

The evidence will be directly relevant to the Darlington Issues. As such, the evidence to be filed will provide the Board with a more complete record. The deferral of testimony will not prejudice intervenors as OPG expects that, subject to the Board's direction, the intervenors will have the opportunity for full and fair examination of the new evidence.

Yours truly,

Charles Keizer
