Attention: Ms. K. Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2014-0139 – Jericho Wind, Inc. (“Jericho”) Section 41(9) Application (the “Application”) – Clarification regarding the Filing of Responses to Board Staff Interrogatories

We are counsel to Jericho in the above noted proceeding. We are writing to clarify two points in respect of the filing of Jericho’s May 28, 2014 responses to the Board staff’s interrogatories. First, the cover letter to those responses was inadvertently marked “Confidential”. The responses are not intended to be confidential; rather, we expect them to be part of the public record in this proceeding. Second, Lambton County’s General Manager was inadvertently not copied on the original email filing. That said, the interrogatory responses were sent to him by email on the morning of May 29, 2014.

Please let me know if you require any further clarification.

Yours truly,

Tyson Dyck
