Dear Ms. Walli:

**Re: Ontario Energy Board EB-2014-0199**  
**Review of the Quarterly Rate Adjustment Mechanism Process**  
**Enbridge Gas Distribution Inc. - Written Hearing Objection Submission**

We write in response to the Notice of Proceeding and Procedural Order No. 1 ("Notice") in this matter. In that Notice, the Ontario Energy Board (the "Board") indicated that it intends to proceed by way of written hearing unless any party satisfies the Board that there is good reason for not holding a written hearing. The Board indicated that any party objecting to a written hearing must provide submissions within 7 days of the date of the Notice.

At present, Enbridge Gas Distribution Inc. ("Enbridge") does not object to the Board proceeding by way of written hearing. However, in the event that submissions by other parties in response to the Board's four questions reveal that it would be useful for the Board to consider evidence in determining the appropriate answers to the four questions, then at that time Enbridge may request that the Board hold an oral hearing.

Sincerely,

*(Original Signed)*
