Dear Ms. Walli,

**Review of the Quarterly Rate Adjustment Mechanism Process  
For Natural Gas Distributors**

**Board File No.: EB-2014-0199**

**Our File No.: 339583-000177**

We write on behalf of Canadian Manufacturers & Exporters ("CME"). In writing these comments, CME had the benefit of reviewing Enbridge Gas Distribution Inc.'s ("EGD") submissions of June 10, 2014.

In Procedural Order No. 1, the Board provided parties with 7 days to object to this process proceeding by way of written hearing.

CME does not object to the Board proceeding by way of written hearing. However, CME notes that at this early stage in the process, no detailed evidence or submissions have been filed with the Board. To this end, CME agrees with EGD that once parties have responded to the Board's four questions, it may be necessary for the Board to reconsider whether an oral hearing is required.

Yours very truly,
