Attention: Board Secretary

RE: Union Gas Limited
Board File: EB-2014-0154

I would like to request Intervener Status for Amco Farms Inc. (AMCO) and continue to be an active participant in this case. I apologize for the late filing of this request as I am new to the process and not familiar with the specific requirements of the written hearing in this case as proposed by the Ontario Energy Board (OEB). I therefore, with due respect to the OEB request a review by the Board to acknowledge and grant this request by AMCO.

Furthermore I would like to request that the OEB consider that AMCO be eligible to apply for a cost reward at the end of the hearing, that in turn will allow AMCO to be properly represented by legal counsel in this case.

Yours truly,

Fausto Amicone
President and CEO
AMCO Group of Companies
