Dear Mr. Lippold:

**Re: Natural Resource Gas Limited
April 1, 2014 QRAM – Phase 2 Proceeding
Board File No. EB-2014-0053**

The Board issued a Notice of Application dated May 2, 2014 (the “Notice”). In the Notice, the Board stated that, as Phase 2 of NRG’s QRAM proceeding, it would review the incremental gas purchases made by NRG in February 2014, including the penalty charge and its recovery from NRG’s ratepayers.

In the Notice, the Board offered interested parties the opportunity to request intervenor status or file a letter of comment. The Board received no requests for intervenor status.

The Board has determined that it will place Phase 2 of NRG’s April QRAM proceeding on hold until it has released its findings in relation to Union’s Penalty Reduction Proceeding (EB-2014-0154). After the Board has made its findings in EB-2014-0154, the Board will establish the regulatory process for Phase 2 of NRG’s QRAM proceeding.

Yours truly,
