Dear Ms. Walli:

Re: EB-2014-0215 – Copy of agreement assigning Jericho FIT Contract

We are counsel to Jericho Wind, LP (the "Applicant").

On June 12, 2014, the Applicant filed an application for an electricity generation licence with the Ontario Energy Board (the "Board"). The Applicant indicated that as required, the Ontario Power Authority (OPA)'s Notice to Proceed (NTP) was enclosed with each copy of the application. The Applicant further indicated that the NTP was issued to Jericho Wind, Inc. but that as a result of a corporate re-organization among affiliates associated with NextEra Energy, Jericho Wind, Inc. transferred its assets to Jericho Wind, LP on June 11, 2014.

On June 16, 2014, the Board requested that the agreement assigning the FIT contract to the Applicant be filed with the Board. A copy of the agreement is enclosed in the confidential version of this filing. The agreement is being submitted to the Board pursuant to the Board's *Practice Direction on Confidential Filings*. The need for confidentiality arises due to (i) the confidentiality obligations set out in the FIT contract and (ii) the commercially sensitive information in the assignment agreement.

Please contact the undersigned with any questions regarding the foregoing.

Sincerely,

Signed in the original
