ONTARIO ENERGY BOARD NOTICE TO CUSTOMERS OF ALGOMA POWER INC. Algoma Power Inc. has applied to raise its electricity distribution rates. Learn more. Have your say. Algoma Power Inc. has applied to the Ontario Energy Board to increase the amount it charges by \$0.23 each month for the typical residential customer beginning on January 1, 2015. Other customers, including businesses, may be affected as well. THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING The Ontario Energy Board (OEB) will hold a public hearing to consider Algoma Power's request. We will question the company on its case for a rate increase. We will also hear arguments from individuals and from groups that represent Algoma Power's customers. At the end of this hearing, the OEB will decide what, if any, increase will be allowed. Distributors typically apply for a full review of their rates every five years. Any rate changes for the years in between are automatically tied to inflation (and other factors intended to promote efficiency). The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost. BE INFORMED AND HAVE YOUR SAY You have the right to information regarding this application and to be involved in the process. You can: - review Algoma Power's application on the OEB's website now, - sign up to observe the proceeding by receiving OEB documents related to the hearing, - file a letter with your comments, which will be considered during the hearing, - become an active participant (called an intervenor). Apply by June 20, 2014 or the hearing will go ahead without you and you will not receive any further notice of the proceeding, - at the end of the process, review the OEB's decision and its reasons on our website. LEARN MORE These proposed charges relate to Algoma Power's distribution services. They make up part of the Delivery line -- one of the five line items on your bill. Our file number for this case is EB-2014-0055. To learn more about this hearing, find instructions on how to file letters or become an intervenor, or to access any document related to this case please select the appropriate application from the list at the OEB website: www.ontarioenergyboard.ca/notice. You can also phone our Consumer Relations Centre at 1-877-632-2727 with any questions. ORAL VS. WRITTEN HEARINGS There are two types of OEB hearings -- oral and written. Algoma Power has applied for a written hearing. The OEB is considering this request. If you think an oral hearing is needed, you can write to the OEB to explain why. PRIVACY <i>If you write a letter of comment or sign up to observe the hearing, your name and the content of your letter or the documents you file with the OEB will be put on the public record and the OEB website. However, your personal telephone number, home address and email address will be removed. If you are a business, all your information will remain public. If you apply to become an intervenor, all information will be public.</i> <i>This rate hearing will be held under section 78 of the Ontario Energy Board Act, 1998, S.O. 1998 c.15 (Schedule B).</i> 	AVIS DE LA COMMISSION DE L'ÉNERGIE DE L'ONTARIO AUX CLIENTS D'ALGOMA POWER INC. Algoma Power Inc. a déposé une demande d'augmentation de ses tarifs de distribution d'électricité. Apprenez-en plus. Donnez votre avis. Algoma Power Inc. a déposé une demande auprès de la Commission de l'énergie de l'Ontario en vue d'augmenter de 0,23 \$ par mois le montant facturé aux consommateurs résidentiels moyens, à compter du 1^{er} janvier 2015. Les autres clients, y compris les entreprises, pourraient également être concernés. LA COMMISSION DE L'ÉNERGIE DE L'ONTARIO VA TENIR UNE AUDIENCE PUBLIQUE La Commission de l'énergie de l'Ontario (CEO) tiendra une audience publique afin d'étudier la demande d'Algoma Power. Nous demanderons à la société de justifier la nécessité d'une augmentation des tarifs. Nous écouterons également les arguments des individus et des groupes représentant la clientèle d'Algoma Power. À l'issue de cette audience, la CEO décidera du bien-fondé d'une augmentation et, le cas échéant, du montant de l'augmentation à venir. Les distributeurs demandent généralement une révision de leurs tarifs tous les cinq ans. Toute modification des tarifs entre ces intervalles est automatiquement liée à une inflation (et à d'autres facteurs cherchant à favoriser l'efficacité). La Commission de l'énergie de l'Ontario est une agence publique indépendante et impartiale. Les décisions que nous prenons visent à servir au mieux l'intérêt public. Notre objectif est d'encourager le développement d'un secteur de l'énergie efficace et financièrement viable afin d'offrir des services énergétiques fiables à un prix raisonnable. INFORMEZ-VOUS ET DONNEZ VOTRE AVIS Vous avez le droit d'être informé au sujet de cette demande et de participer au processus. Vous pouvez : - examiner la demande d'Algoma Power sur le site Web de la CEO dès maintenant; - vous inscrire à titre d'observateur pour recevoir les documents de la CEO relatifs à l'audience; - déposer une lettre de commentaires qui sera prise en compte au cours de l'audience; - participer activement au processus (à titre d'intervenant). Inscrivez-vous avant le 20 juin 2014, faute de quoi l'audience aura lieu sans votre participation et vous ne recevrez plus d'avis dans le cadre de la présente affaire; - examiner la décision rendue par la CEO à l'issue de la procédure, ainsi que ses justifications, sur notre site Web. APPRENEZ-EN PLUS Les tarifs proposés sont relatifs aux services de distribution d'Algoma Power. Ils sont inscrits à la ligne « livraison » de votre facture. Notre numéro de dossier pour cette affaire est EB-2014-0055. Pour obtenir de plus amples renseignements sur cette audience, sur les démarches à suivre pour déposer une lettre, participer en tant qu'intervenant ou pour consulter les documents relatifs à cette affaire, veuillez sélectionner la demande appropriée dans la liste sur le site Web de la CEO : www.ontarioenergyboard.ca/notice. Pour toute question, vous pouvez également communiquer avec notre centre des relations avec les consommateurs au 1-877-632-2727. AUDIENCES ORALES ET AUDIENCES ÉCRITES Il existe deux types d'audiences à la CEO : les audiences écrites et les audiences orales. Algoma Power a demandé une audience écrite. La CEO examine cette demande à l'heure actuelle. Si vous estimez qu'avoir recours à une audience orale serait préférable, vous pouvez écrire à la CEO pour lui présenter vos arguments. PROTECTION DES RENSEIGNEMENTS PERSONNELS <i>Si vous présentez une lettre de commentaires ou participez à l'audience à titre d'observateur, votre nom ainsi que le contenu de votre lettre et des documents que vous déposerez auprès de la CEO seront versés au dossier public et publiés sur son site Web. Toutefois, votre numéro de téléphone, votre adresse et votre adresse électronique ne seront pas rendus publics. Si vous représentez une entreprise, tous les renseignements de l'entreprise demeureront accessibles au public. Si vous participez à titre d'intervenant, tous vos renseignements personnels seront rendus publics.</i> <i>Cette audience sur les tarifs sera tenue en vertu de l'article 78 de la Loi de 1998 sur la Commission de l'énergie de l'Ontario, L.O. 1998, chap. 15 (annexe B).</i>
