NOTICE OF APPLICATION AND WRITTEN HEARING FOR AN EXTENSION OF CONSERVATION AND DEMAND MANAGEMENT PROGRAMS

Lakefront Utilities Inc. (“Lakefront” or the “Applicant”) has filed an application with the Ontario Energy Board (the “Board”), dated March 26, 2007, under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c.15 (Schedule B). The Board has assigned the application File No. EB-2007-0106.

Lakefront filed an application with the Board for \$550,000 of Conservation and Demand Management (“CDM”) funding to upgrade its distribution network to a higher voltage, replacing the existing 4.16kV system with a 27.6 kV system.

How to Participate in the Proceeding

The Board intends to proceed with Lakefront’s application by way of written hearing unless a party satisfies the Board that there is good reason for holding an oral hearing. If you object to a written hearing in this matter, you must provide written reasons why an oral hearing is necessary.

You may participate in this proceeding in one of three ways:

1. You may send the Board a letter of comment. Your letter should include any request to make an oral presentation to the Board, and must be received by the Board no later than **30 days** from the publication date of this notice.
2. You may request observer status in order to receive documents issued by the Board in the proceeding. Your request must be made by letter received by the Board no later than **10 days** from the publication date of this notice.

3. You may request intervenor status if you wish to actively participate in the proceeding. Your request must be made by letter of intervention received by the Board no later than **10 days** from the publication date of this notice, or, if you have been served this Notice directly, no later than 10 days from the date of service. Your letter of intervention must include a description of how you are, or may be, affected by the proceeding; and if you represent a group, a description of the group and its membership. The Board may choose to hold either a written or an oral hearing. The Board will not hold a written hearing if a party satisfies the Board that there is good reason for holding an oral hearing. Your letter of intervention should indicate your preference for a written or oral hearing, and the reasons for that preference. The Board may order costs in this proceeding. You must indicate in your letter of intervention whether you expect to seek costs from the applicant and the grounds for your eligibility for costs. You must provide a copy of your letter of intervention to the Applicant.

How to Make Filings to the Board

All filings to the Board must quote File No. EB-2007-0106, and clearly state the sender's name, postal address and telephone number and, when available, a fax number and e-mail address. All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.
