DECISION AND ORDER
June 19, 2014

DiscoveryLight LP and GoldLight LP each filed a complete application on April 21, 2014, under section 60 of the *Ontario Energy Board Act, 1998* for electricity generation licences as Feed-in Tariff Program participants. The Board assigned file numbers EB-2014-0164 and EB-2014-0165 to each application, respectively.

The Board's combined Notice of Application and Written Hearing for the four electricity generation licences was posted on April 25, 2014. No parties responded to the Notice of Application and Written Hearing.

After considering the applications, it has been found to be in the public interest to issue the electricity generation licences under Part V of the Act.

IT IS THEREFORE ORDERED THAT:

The applications for electricity generation licences are granted, on such conditions as are contained in the attached licences.
