Dear Ms. Walli:

Re: Intervenor Annual Filing – Consumers Council of Canada

The Consumers Council of Canada (“Council”) regularly intervenes in Ontario Energy Board proceedings and consultation processes. Effective April 24, 2014, the Ontario Energy Board (“Board”) revised its Rules of Practice and Procedure and Practice Directions governing Board proceedings. Intervenors are now required to file, at least annually, information regarding its organization including its mandate, objectives, membership, and programs and activities it carries out. Please find attached the required information as it relates to the Council.

Please feel free to contact me if you require any further information.

Yours truly,
