

UNDERTAKING J4.1

Undertaking

To provide the source definitions from EUCG and Navigant, related to Board Staff Undertaking No. JT1.10.

Response

The most current source cost category definitions for EUCG and Navigant hydroelectric benchmarking are attached as follows:

1. Navigant – Functional Definitions - May 2010
2. EUCG – Annual Plant Cost Data – 2014 (Draft awaiting finalization by EUCG)¹

¹ While marked draft, the document is the iteration in effect in 2013 and remains so today.
