Dear Mr. Boucher:

The Board has reviewed your application for an electricity retailer licence. Your application is currently incomplete and cannot be processed until the following has been filed:

1. Section 1, Page 2 of the Application Form – Name to Appear on Licence

In section 1 of the application form you have identified the legal name of the applicant as Dominion Newenergy Inc. and below requested that the name to appear on the licence be DNE Resources. The application form notes that if the name to appear on the licence is different from the legal name, the legal name must appear first. Please resubmit page 2 of the application form with the proper name to appear on the licence.

The financial information provided with your application does not meet the requirements of section 12 Finance of the application form. You have provided unsigned copies of unaudited financial statements for the fiscal year ended on August 31, 2013. Section 12 Finance of the application form states that unaudited financial statements must be signed by one key individual. Please file signed copies of the applicant's financial statements. In addition please file financial statements for the year ended on August 31, 2012.

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Upon receipt of the required information the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@ontarioenergyboard.ca.
