Re: Ontario Power Authority (OPA) 2014 Fees Application  
Settlement Conference  
Board File No. EB-2013-0326

Dear Ms. Walli:

I am writing to support VECC's letter seeking a rescheduling of the start of the settlement conference in the above-noted matter. AMPCO's consultant is out of the country the week of July 7, 2014 and had made arrangements with the OPA to receive a hard copy of the interrogatory responses prior to leaving in order to be able to review them during a travel day on Monday July 7, 2014 in order to be prepared for the Settlement Conference commencing on July 8, 2014. Unfortunately due to delivery issues the interrogatory responses were not provided making it impossible for AMPCO to review the responses in advance and be ready for a Settlement Conference on July 8, 2014. AMPCO respectfully asks that the Settlement Conference be rescheduled.

Please do not hesitate to contact me if you have any questions or require further information.

Sincerely yours,
