Dear Ms. Walli,

**Ontario Power Authority ("OPA")**  
**2014 Revenue Requirement Submission**  
**Board File No.: EB-2013-0326**  
**Our File No.: 339583-000172**

Please find enclosed a motion which is being brought on behalf of Canadian Manufacturers & Exporters ("CME"), Association of Major Power Consumers in Ontario ("AMPCO"), Vulnerable Energy Consumers Coalition ("VECC"), Building Owners and Managers Association, Greater Toronto ("BOMA") and Energy Probe Research Foundation ("Energy Probe") for an Order that OPA produce certain documents and other information pursuant to four interrogatories.

The parties request that the Board allow the hearing of this motion before the conclusion of the Settlement Conference. To this end, we propose that the motion be heard by the Board on July 22, 2014. This was the date set out in the Decision on the Issues List and Procedural Order No. 2 dated June 3, 2014, that any settlement arising out of the Settlement Conference be presented to the Board.

The parties further request that if the Board agrees to hear the motion on July 22, 2014, that the Settlement Conference be reconvened on July 31, 2014.

We look forward to receiving further guidance from the Board on this matter.

Yours truly,

Vincent J. DeRose
